

We invest in the backbone of modern society

PRESS RELEASE

Stockholm, 18 November 2020

Sandbäckens acquires Trisec AB

Sandbäckens continues its profitable growth journey and strengthens its position in the Östergötland area through an additional acquisition, Trisec AB. The acquired company offers energy-efficient automation solutions for properties and industrial premises.

Trisec is based in Norrköping and employs 14 people, generating a turnover of c. SEK 25m. The company has a broad customer base consisting of property owners, real estate managers and industrial companies with a geographic footprint spread across Östergötland.

"I am very pleased to welcome Jonas Stenbäck and all co-workers to Sandbäckens. Trisec is a successful company with significant competence and experience of meeting customer demand for energy efficient solutions in different types of properties", says André Roos, Head of Business Development and Head of region East.

Segulah, whose mission statement reads "We invest in the backbone of modern society", is a private equity firm focused on mid-market buyouts in the Nordic region. To ensure long term structural growth we invest, with sustainability in focus, along three major themes: "Modernization & Automation of Industry", "Digital Business Efficiency" and "Smart Urbanization & Infrastructure Renewal". Our business model builds on active ownership where we add capital, industrial competence and strategic focus. Segulah Advisor AB is the exclusive investment advisor to the funds Segulah IV and Segulah V.
